To whom it may concern.

It is with great enthusiasm and without reservation that I Patricia Wright support Operation "Hard Yakka" which has its location at the Susan River Homestead Adventure Resort, Fraser Coast.

Operation Hard Yakka is a fantastic program for disengaged youth and has in the past achieved fantastic results with the young youths that have all ready gone through the programme.

Bob Davis and his Staff have been conducting Military style training programmes for over 27 years with great success.

As a Rotarian we have run three Rotary Youth Leadership Camps with Bob Davis and his Staff and they have all been a fantastic success, the young people cannot speak more highly of what they got out of the programme and how Bob and his staff have helped them so much with their futures.

To this extent I feel confident that they are experienced in preparing youth with social issues to find and follow the correct path in life, I have no hesitation to put my full support behind this worthwhile programme.
